

The 2025-26 Leaders in Life Youth Conference Planning Committee is preparing to resume meetings. If you are unfamiliar with Leaders in Life, the committee is open to students in grades 6-12, academically 2.0 and above. They meet as a whole group six times during the year, participating in one of five working subcommittees as they plan and organize a major youth conference. Throughout the year, students gain valuable skills in organization, time management, communication, teamwork, and community outreach.

General meetings will be held from 9:00am - 1:00pm, with lunch provided for participants. 2025 meetings will be held at the Larry E. Reider Building, located at 2020 K Street; the remaining two 2026 meetings will be held at the Bell Tower Building, located at 1200 Truxtun Avenue. Any evening subcommittee meetings will be held virtually. We ask that you make arrangements to excuse students on the dates listed below to avoid unexcused absences:
